Class 10

Present Your Person-Driven Plan

*Note to facilitators:

You will need to work out with participants how to share and project their Person Driven Plan. I find it easy to have the participants create their PDP in Google Slides and then share it with me so I can project the plan. It will be important to plan this ahead of time.

Slide #2

Time Estimation: 10 min

Ask participants to open their workbook to the big idea page from last week. Ask them to review what they wrote and share with people at their table.

**Recap:
Last Week's
Big Ideas**

Open your workbook to the big ideas you wanted to remember from last week.

Take a moment to reflect and talk to those around you.

2 speakup

The slide features a white background with a teal header. On the right, there is a circular graphic containing a woman's face, surrounded by question marks and a lightbulb icon. Below this graphic are several colored circles (teal, orange, dark blue, purple) and icons of a lightbulb and a ladder. A small teal box with the number '2' and the 'speakup' logo is in the bottom left corner.

Slide #3

Time Estimation: 10 min

Share with participants that they will each be presenting their Person Driven Plan today.

Let them know that they each will be given a certain amount of time and that you will be using a timer and letting them know when they have 2 minutes left. Facilitators decide on the amount of time each participant has based on how many people are in the group and how much time you have.

Review slide three and let them know that they will be sharing compliments and feedback. Depending on the needs of participants they can write them on post it notes and have them to the presenter when they are finished, text the presenter their feedback, or have someone scribe for them.

**Listening,
Compliments,
and Feedback**

1. Listen and give the presenter your attention
2. Share at least one compliment
3. Share at least one point of constructive feedback

3 speakup
